EXPERIENCE

Interactive Designer

Amdocs • Pune / Dubai | Dec 2021 – Aug 2026

Major clients: Vodafone (Germany), True (Thailand), Comcast (USA), Bell (Canada), Rogers (Canada), Optimum (USA)

- Led visual and interaction design for Paper/PDF bills and digital bills for global telecommunications providers, focusing on usability and accessibility.
- Owned the end-to-end design lifecycle, including requirements analysis, design solutions, prototyping, and design documentation
- Collaborated with UX, development, and QA teams to validate feasibility, ensure accurate implementation of design specifications, and consistent support throughout the project lifecycle.
- Managed stakeholders and presented design solutions to drive project alignment and delivery.

Digital Visualizer

Xpress Money • Dubai | Sep 2018 – Sep 2019

- Developed creative content for brand and regional initiatives across digital, print, and video platforms.
- Conceptualized and designed promotional campaigns, product launches, and brand assets.
- Converted visual layouts into responsive HTML/CSS and integrated dynamic emailers via Mailchimp.
- Designed microsites and landing pages to support marketing promotions and campaigns.

Creative Designer

Novo Elite Group • Dubai | Feb 2017 – Aug 2018

- Designed marketing artifacts including brochures, banners, and social media content for internal and external branding.
- Maintained the company website and updated content for past and upcoming events.
- Executed corporate event campaigns and coordinated with vendors to ensure high-quality production of branding materials.

Design Associate

InfoCepts Technologies • Nagpur | Dec 2015 – Dec 2016

- Provided design solutions to web developers to enhance the look and feel of web pages.
- Managed the design and publication of monthly and quarterly organization magazines.
- Collaborated with cross-functional departments during brainstorming sessions to develop creative design concepts.

Web Designer / Developer

Ccube communications • Nov 2013 – Dec 2015

- Designed website mockups and created user interfaces using standard HTML/CSS.
- Developed testable and efficient code using Bootstrap and CMS platforms.
- Integrated back-end services and databases to support website functionality.

EDUCATION

BE in Computer Technology

RTMNU University / KITS Ramtek College | 2013

CERTIFICATIONS

AI Tools Workshop – Be10X | Issued on August 2, 2026

Figma UI UX Design Essentials – Udemy | Issued on May 22, 2026

NOTABLE ACHIEVEMENTS

- ✓ Managed multiple projects and client accounts simultaneously, balancing priorities and delivering design support across diverse requirements and timelines at Amdocs.
- ✓ Developed strong accessibility design expertise, applying accessibility regulations and best practices while documenting standards and guidelines for future team projects.
- ✓ Sole designer responsible for end-to-end event creatives at NovoElite Events, designing digital and print collateral for cultural events, concerts, movie promotions, & corporate events.
